ID BADGES

ID BADGES

THE NEBULA MISSION

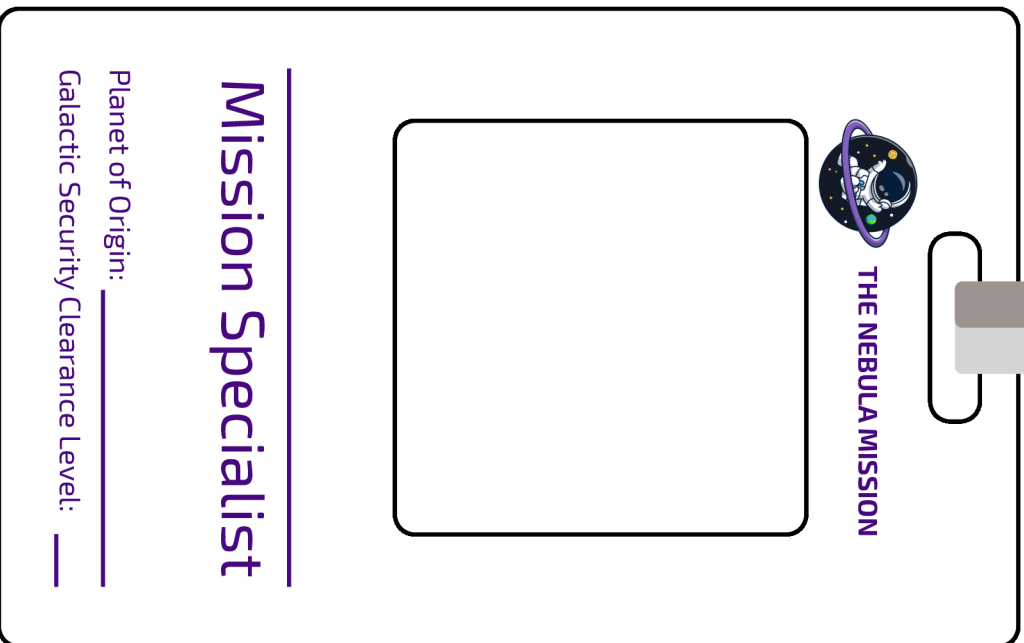

Pilot

Planet of Origin: _____

Galactic Security Clearance Level: _____

This ID badge template features a central rectangular area for a photo. To the right of the photo is the mission logo, which includes a stylized planet with rings and the text 'THE NEBULA MISSION'. Below the photo area is a horizontal line, followed by the title 'Pilot' in a large, bold font. At the bottom, there are two fields for 'Planet of Origin' and 'Galactic Security Clearance Level', each with a horizontal line for input.

THE NEBULA MISSION

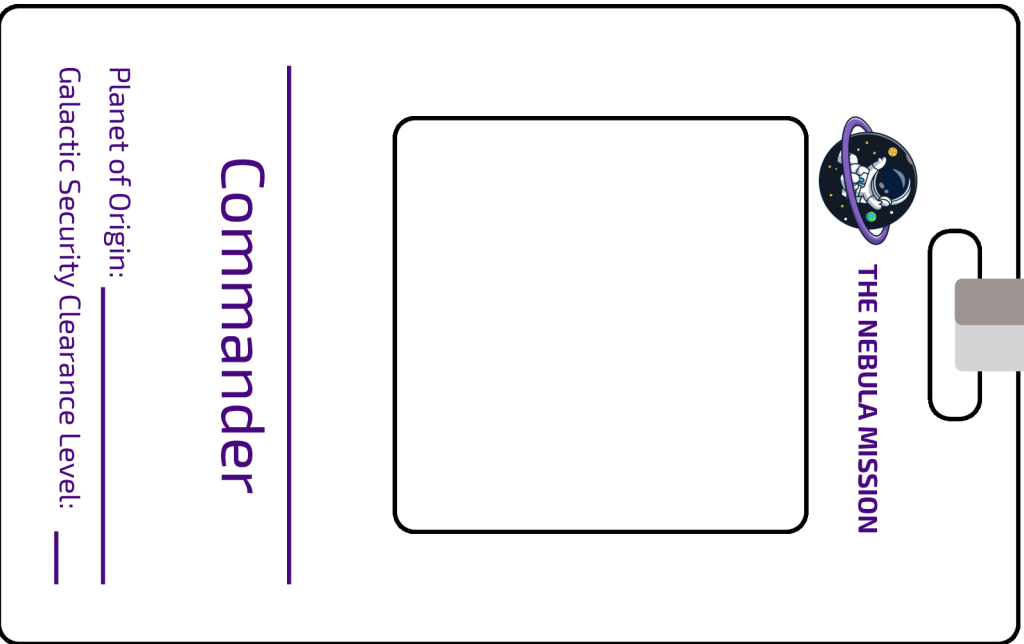

Mission Specialist

Planet of Origin: _____

Galactic Security Clearance Level: _____

This ID badge template is identical in layout to the Pilot badge. It features a central rectangular area for a photo, the mission logo to the right, a horizontal line, the title 'Mission Specialist' in a large, bold font, and two fields for 'Planet of Origin' and 'Galactic Security Clearance Level' at the bottom.

ID BADGES

THE NEBULA MISSION

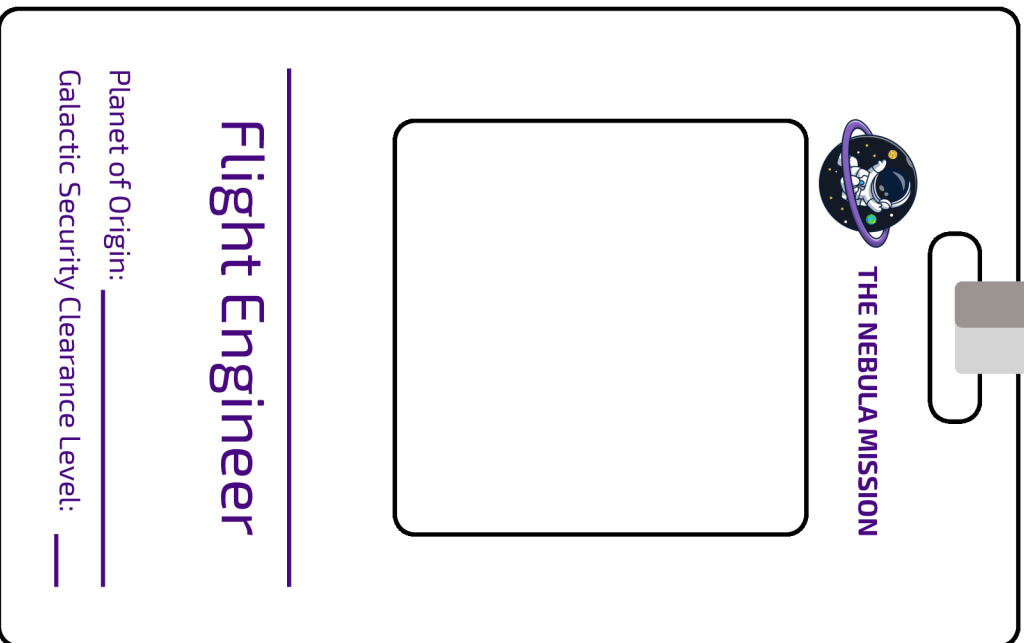

Commander

Planet of Origin: _____

Galactic Security Clearance Level: _____

This ID badge template features a central rectangular area for a photo. To the right of the photo is the mission logo, which includes a stylized planet with a ring and the text 'THE NEBULA MISSION'. Below the photo area is a horizontal line, followed by the title 'Commander' in a large, bold font. At the bottom, there are two fields for 'Planet of Origin' and 'Galactic Security Clearance Level', each with a horizontal line for input.

THE NEBULA MISSION

Flight Engineer

Planet of Origin: _____

Galactic Security Clearance Level: _____

This ID badge template is identical in layout to the one for the Commander, but the title 'Flight Engineer' is displayed in a large, bold font below the horizontal line.
